MASTER OF CUSTOMIZATION

Design Philosophy

Glazed Gold Bronze

Gilded bronze captures the passage of time in a vehicle of understated, enduring radiance.

Masterful craftsmanship. A radiance to share.

Beauty Beyond Words

The exterior pairs Glazed Gold Bronze with Obsidian Carbon Fiber in a striking two-tone finish. Glazed Gold Bronze evokes desert sands shaped by the wind: rich yet fluid, vibrant yet restrained, with a quiet grandeur refined by time.

Crafted Interior

Warm Sand Brown

Soft, warm sand tones evoke the first sunlight on the earth, bringing a vibrant warmth to an understated interior.

Discover a new expression of distinction, together.

4-Seat Exclusive

2+2 Layout

The 2+2 layout creates a spacious setting for both executive travel and private journeys. Independent executive seats feature multi-way power adjustment and deep massage, offering first-class comfort. Every detail adds a sense of occasion, bringing exceptional care to every unhurried journey.

5-Seat Exclusive

2+3 Layout

For discerning connoisseurs aged 35-50: established industrialists, leading private banking clients, antique collectors and retired business leaders. Experienced and assured, they follow their own path rather than trends, expressing a lifetime of achievement with quiet confidence.

Crafted with the precision of woven threads, shaped by flowing light.

6-Seat Exclusive
