MANSORY

MANSORY 9X

MASTER OF CUSTOMIZATION

Design Philosophy

Nightfall Indigo

Leaving showy brilliance behind, this finish takes its character from the stillness of night: the profound depth of darkness settling over the highest reaches of the sky.

Beyond worldly splendor, a commanding view of the world.

Radiance in the Dark

Blue descends into obsidian depths, expressing authority without a word. Its commanding presence speaks of experience beyond outward splendor, with a sense of mystery and power refined to their utmost intensity.

Sea Mist Cyan

Refined by flowing light, the paint captures the rippling sheen where sea and sky become one. The blue sea lends depth; the drifting mist brings an ethereal lightness. Like a breeze crossing clear water as the morning haze lifts, the finish shimmers with a lively hue between blue and green.

A new chapter begins. Move forward with purpose.

Boundless as the Sea

The waterfall-style obsidian grille and carbon fiber bonnet form a seamless whole: composed, cool and commanding. Split matrix headlights shine with intensity, while the all-carbon-fiber front apron adds a sharp, profound edge. Flowing blue-green color meets obsidian carbon fiber like mist above deep-sea reefs, creating a presence that needs no words.

Crafted Interior

Stellar Abyss Blue

The boundless depth of a star-filled ocean brings an extraordinary sense of composure, as though holding a galaxy within and quietly embracing the world beyond.

Stellar ripples enter the cabin, awaiting those who understand.

VIP Cabin

4-Seat Exclusive

2+2 Layout

Independent aviation-style seats, crafted with exacting precision, combine multi-way power adjustment and deep massage. Extra-long leg rests extend to an almost-flat position, while a central carbon fiber touch-control armrest console brings intuitive technology within reach. Ergonomics and convenience unite to make every journey a private retreat for quiet reflection and confident decisions.

5-Seat Exclusive

2+3 Layout

For research academicians, project investors and emerging technology leaders aged 35-60. Rational and thoughtful, calm and resolute, they preserve a world of their own amid the noise of everyday life.

Crafted to the finest detail, sculpting the rhythm of light and shadow.

6-Seat Exclusive

2+2+2 Layout

From academic exchange dinners and luxurious hot-spring retreats to exclusive private receptions, MANSORY 9X transcends conventional form. Exceptional craftsmanship brings together Eastern serenity and elegance with Western mechanical strength, creating a timeless expression of luxury.
